

# YOANN JAFFRAIN

French, Male, 38

French : Native Language

English : Fluent

Japanese : beginner

Spanish: Survival level

“ After looking hard for myself, I finally found who I am: not only an engineer but also a « visual » guy! Last year I went back to school and found I enjoyed typography and motion design more than anything I had done in the last 15 years! ”

“ Now I am using the two sides of my brain when I work (logic and creativity). ”
